

STUETZELVILLA

Youth Meeting House in Windisch-eschenbach

Stuetzelvilla - the Meeting House for youth!

The villa was built in Art Nouveau 1888. The county of Neustadt a. d. Waldnaab made the Stuetzelvilla to a house for teenagers and young adults from all over the region in the early 1980th. Since that the Kreisjugendring manages this Youth Meeting House.

In this beautiful ambiance you can find an ideal place for meetings,

discussions and recovery. Ideas and experiences can also be exchanged there. We have a lot of guests who often come and appreciate the Stuetzelvilla for many years by using the villa for school trips, seminars, meetings, preview weekends and leisure activities.

Around the Stuetzelvilla there is a nice park with old trees where you can relax or have a barbecue.

Choose between action by playing volleyball or basketball or having a rest at our sun terrace.

Enjoy the Stuetzelvilla's flair every time of the year.
